

Protect Your Business

ICS Comprehensive Training Services

ICS offers unparalleled, in-depth immigration compliance training for human resource personnel. Its highly skilled and experienced team provides: instruction on the proper ways to correct, maintain, retain, update and re-verify I-9's; identification of common errors and understanding of trends; usage of E-Verify and appropriate compliance with program requirements; instruction on frequently asked questions; and do's and don'ts for developing a sound immigration compliance program for your company.

The ICS team can provide specific training, on-call consulting services and training manuals targeted to the particular needs of an individual company.

In addition to training services, ICS offers SecureID™ is the only software solution for complete employee identity verification. Created by the former head of Immigration and Customs Enforcement and a leading immigration lawyer, SecureID is an affordable, customizable, web-based solution to mitigate employer risk and exposure. SecureID can be used to confirm the identities of all new hires or utilized during internal identity fraud investigations. With ICS SecureID™, employers can utilize one interface to complete I-9s and conduct an identity verification check. Employers who participate in E-Verify can also utilize the SecureID platform, if requested.

Confirm, complete and comply to protect your business with SecureID. For more information, visit www.icssecureid.com today.
